HANDOVER OF POLYMERASE CHAIN REACTION MACHINES TO HEALTH AUTHORITIES IN DARFUR

PCR IN CENTRAL & NORTH DARFUR BY UNAMID

Paris, Washington DC, Zanzibar, 24.06.2021, 18:50 Time

USPA NEWS - UNAMID handed over Polymerase Chain Reaction (PCR) Machines to health authorities in North and Central Darfur to help in the early detection of COVID-19 cases and controlling further transmission across the communities in Darfur, including UNAMID personnel. The handover is part of UNAMID's drawdown process as endeavours to build the capacity of designated parties who will continue to serve the host community after UNAMID's full departure from Darfur.
